### ***Does your company match?***

Many companies provide matching gift programs that multiply their employee's charitable donations. If you or your spouse are employed by a matching gift company your contribution could be significantly increased. Matching gifts are designated to the same fund as the donor's original gift.

To obtain a matching gift, contact your employer's HR department for a matching gift form. Complete the donor/employee portion of the form and send it with your contribution. We will complete our part of the form and return it to the company to initiate its fulfillment of the match.
